Overview

We continue to make steady, incremental progress toward a 4Q2022 release.

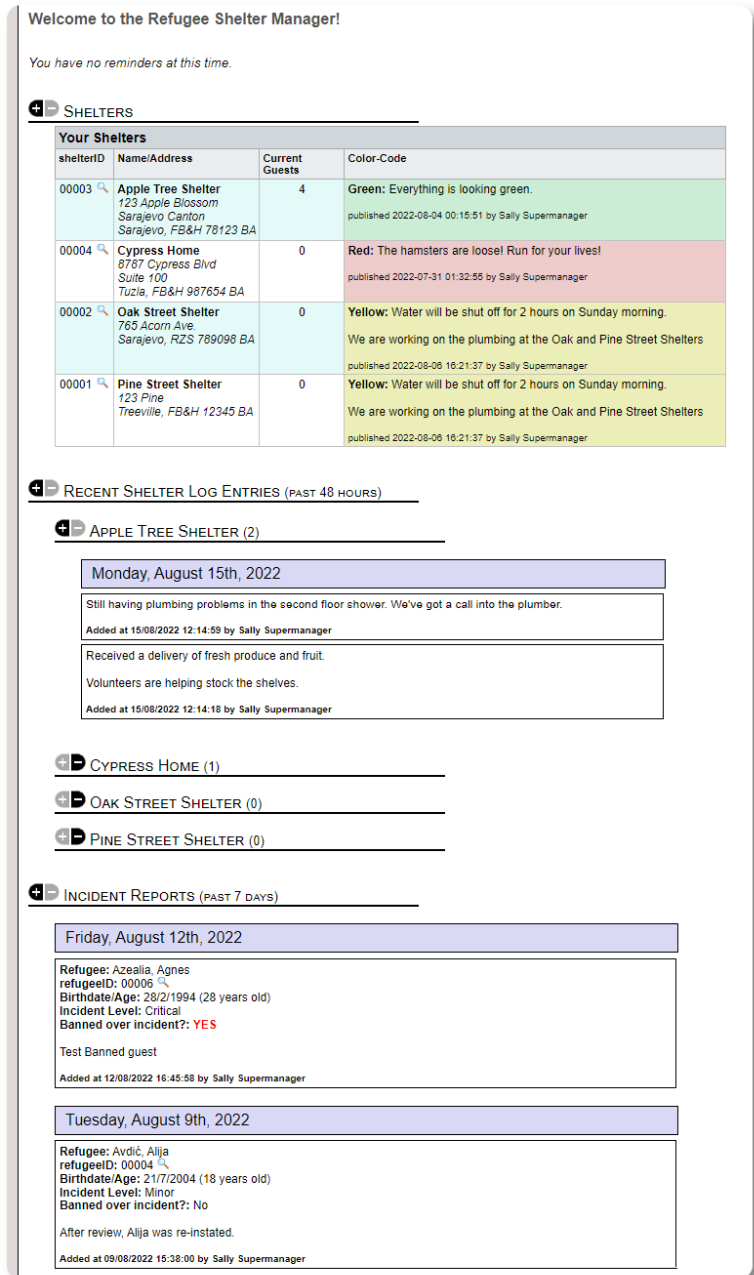

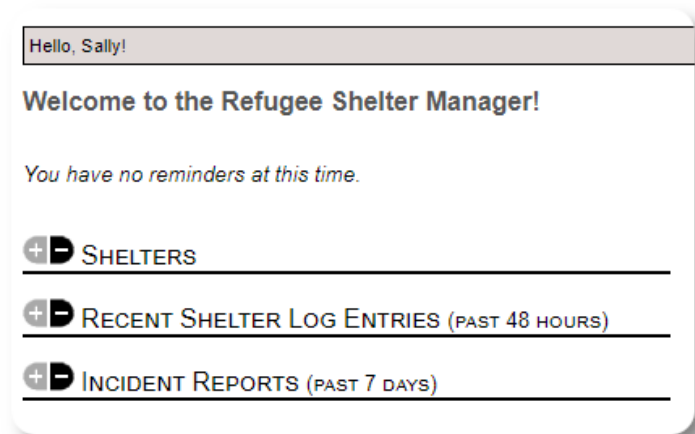

Admin Dashboard

An admin dashboard is now available when an admin user logs in.

The dashboard can be accessed any time from the Admin/Dashboard tab.

Sample expanded dashboard:

PDFs for Roster and Daily Services

The roster for any day, as well as the individual services received by refugees, can be viewed, downloaded, and printed as PDFs.

- Internet Access
- Laundry
- Legal
- Shower
- Transportation

Apple Tree Shelter Page 3 of 4 roster / services for: 2022-08-13

Case Manager and Professional Contact Accounts

Case Manager and Professional Contact accounts are now functional. They provide limited access to a refugee's record, and allow them to annotate their observations and assessments. Case managers can view all other case managers' notes; professional contacts can only view their own notes.

Sample refugee record, as viewed by an assigned case manager. Note the limited ability to edit and view information.

Incident Report

Admins and shelter managers can now view an incident report.

Upcoming Activities

The upcoming week will focus on:

- Tuning the Shelter Manager accounts
- Refugee reports (demographics, stays, etc)
- Outreach to potential partners or interested shelter organizations
